- Implementation of system for users to provide feedback to enhance user engagement

## Education

University of Dhaka

Bachelor of Science in Electrical and Electronic Engineering

2015 - 2019

University of Dhaka

Master of Science in Electrical and Electronic Engineering

2019 - 2022

## Languages

Bengali Native ●●●●●

English Fluent ●●●●●

## In my free time

### Building hardware

I have basic experience with C programming language that allows me to build small, Arduino projects

### freeCodeCamp

I like to learn more about web development from free courses in my spare time

### Robotics

Since I have a background on electronics, I want to learn more about embedded systems and microcontrollers.
